

WILLIAM PERRY PENDLEY IS BAD FOR BUSINESS

Arizona's outdoor businesses are suffering under Bureau of Land Management Acting Director Pendley - right when they need the support more than ever.

Even BLM Acting Directors Can Damage Outdoor Rec Industry

- » Hire similarly hostile staff members who will stay far longer than he will
- » Roll back critical project review processes like public input and environmental assessments
- » Slow down proposals to protect unique areas

Pendley Has a Destructive History in Arizona

Uranium Mining in the Grand Canyon Northwest Mining Association v. Salazar

- » Argued against a 20-year ban on toxic uranium mining on the northern rim
- » Challenged the ability to protect the area generating almost \$1B from outdoor rec
- » Defied Arizona voters supporting protections by continuing to advocating for mining

Arizona National Monuments Challenge Mountain States Legal Foundation et al. v Bush

- » Challenged Ironwood Forest & Grand Canyon-Parashant national monument status
- » Argued in favor of miners, loggers and oil drillers in opposition to outdoor rec industry
- » Threatened what makes these desert and wilderness areas attractive to outdoor visitors

Selling Off Public Lands

- » Supports selling off public lands to fund other projects
- » Arizona's outdoor rec industry depends on public lands to thrive
- » Posted from his own Twitter account: After all, it is what the Founders intended! CONFIRMED: President Trump Can Sell Federal Land To Build The Wall

Disrespect for Native Tribes

- » Flouted Arizona's welcoming business culture by insulting Native people
- » Described their religions as "paganism" and "pantheism"
- » Mocked their religious approach to their land management philosophy and advocacy

Arizona's Outdoor Industry Depends on Public Lands

- » Arizona's outdoor rec industry generates \$2.1 B and 200,000+ jobs
- » [Four out of five Arizona voters support increasing spending on public lands](#)
- » We must protect the public lands that support the hunting, angling, camping, and other outdoor activities that fuel the industry
